The Epworth Record

Volume 113, Issue 1 2009
Annual Report

Bear Bitten But Very Much Alive

The bear bite us; nevertheless, we had a good year. I am pleased to report that the children thrived and we continued to operate at full capacity this past year. Also, total contributions increased by 21.92% (\$310,076) in 2008.

Congregational giving increased by an average of .27 cents per member; the increase equaled 5.1 % (\$58,151). Some congregations contributed at record levels, while there were 305 congregations that declined to contribute. The goal in 2009 is to have each congregation in our conference contribute at a minimum rate of \$6 per member.

As I mentioned above, the economic bear bit us. The bite was a nasty one. Forty-seven percent of our operating income is derived from our modest endowment, and like most invested funds ours decreased by 25% this past year. That, of course, puts a greater strain on all of us to make up the difference between what can be expected from the endowment and the cost associated with caring for all of our children.

Hopefully our nation's economy, and along with it Epworth's endowment, will recover sooner rather than later. Until that time, I thank you for your prayers, support and "hands on" projects on behalf of the children.

*John E. Holler
President*

We would like to thank everyone for the generous Christmas donations. You made Christmas special for every child here at Epworth Children's Home.

Epworth Employee Receives Nancy K. Perry Scholarship

Shawnda Young has been awarded the Nancy K. Perry Scholarship from the South Carolina Association of Children's Homes and Family Services for the 2008-2009 school year. This achievement was also recognized at the SCACHFS's Annual Conference in February. Ms. Young has been working at Epworth for almost two years and is currently a Case Manager for one of our adolescent female cottages. She is a full -time student enrolled in the Masters of Social Work Program at the University of South Carolina. We are very proud of her accomplishment and her desire to further her education in order to help those in need.

Epworth in Innovative Child Care Initiative

Every parent and grandparent knows by experience that children don't stay still! Healthy children and youth are constantly on-the-go, developing in every dimension of life. Quality child care practice at Epworth doesn't remain still, either! Since 2007, we have been involved with Cornell University's Residential Child Care Project to implement an updated, research-based model of residential practice known as CARE (Children and Residential Experiences). Epworth staff members are learning to apply CARE's core practice principles to improve day-to-day residential experience of children as well as the climate within all levels of our ministry.

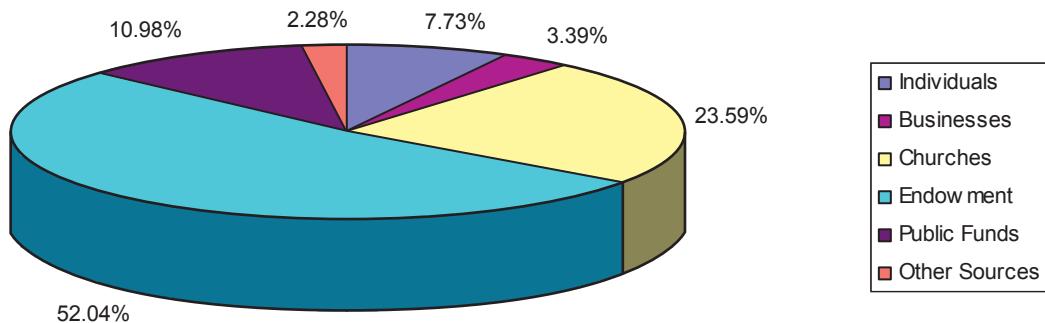

Cornell University CARE Team

Epworth has recently joined hands with six other South Carolina child care agencies and Cornell in a cutting edge research project to ensure that our daily practice of child care is as healthy and effective as possible and to link our practice to the very best scientific evidence regarding child development. The comprehensive, three-year project, which is supported by The Duke Endowment, has the potential to impact residential care and staff training in South Carolina and across the nation.

Epworth is also participating in a major research project led by the University of North Carolina at Charlotte (UNC-C) and sponsored by The Duke Endowment. UNC-C researchers from their Institute for Social Capital are leading a program of outcomes research across child caring agencies in the Carolinas in order to strengthen programs and services for children.

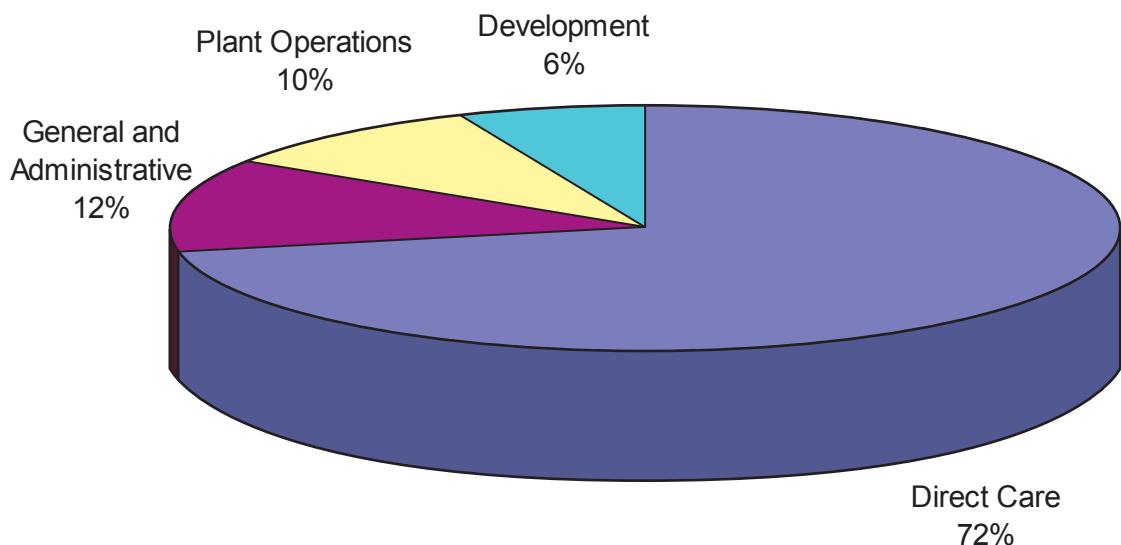

Epworth is continuing to equip its staff to serve children and young persons who have been affected by complex, challenging issues. We are also committed to honoring your trust and support by not remaining still, but by searching for the very best ways to care for South Carolina's children through our involvement in these cutting edge efforts.

Epworth Children's Home Speaker's Bureau

Epworth has launched a Speaker's Bureau to help tell our story. The Speaker's Bureau includes staff members and volunteers who will give a detailed and informative presentation about Epworth. Programs will include information about our history, details about each of our programs and a look at life on campus. If your group, Sunday School class, club or organization would like to arrange for a presentation from a member of our Speaker's Bureau, please call 803-256-7394 or email lbundrick@epworthsc.org.

Kids Korner

The children at Epworth have had a busy winter and are gearing up for a spring full of activities. One of our high school juniors is running track for Dreher High School; 11 boys are signed up to play baseball this spring and we are excited to see some of our girls playing softball for the first time.

Several students earned Honor Roll for the second quarter and one seventh grade student even earned all A's.

One of our residents was chosen to participate in the Richland School District One Honors Chorus.

Our 4th grade students recently participated in a school play.

Epworth currently has five students in our Higher Education program - a freshmen at Allen University and a freshman at Columbia International University, a junior at USC, a senior at Columbia College who will be graduating May 2 and heading to graduate school at USC and one student at Midlands Tech. We are also excited to have a sixth student who has been accepted to attend Spartanburg Methodist next fall.

Be sure to check out the S.C. United Methodist State Basketball Tournament in Kingstree, S.C., March 13-15. Epworth will have two teams competing in the tournament, so come on out and cheer us on!

Cook-Out for Kids

April 18, 2009

Alumni Association

Get ready for an exciting BBQ event! The Alumni Association of Epworth Children's Home is hosting **Cook-Out for Kids** on April 18, 2009 from 11:00 a.m. - 4:00 p.m. The event will take place on Epworth's campus in Columbia and will feature award-winning BBQ cook teams and delicious desserts. Not only will the food be great, but the proceeds will go directly to help Epworth care for our 80 children and youth.

Want to enjoy some good food? Go to www.epworthchildrenshome.org to place your pre-order. Plates are only \$7 each and whole Boston butts can be purchased for \$20.

Can't get to Columbia on April 18th but still want to support the event? Make a contribution to help cover some of the event costs.

Epworth Children's Home has signed up with GOODSEARCH. If you change your search engine to www.goodsearch.com and select Epworth as your charity, we will earn money for each search you conduct. So, instead of using Google or Yahoo when you need to find websites please use GOODSEARCH!

Epworth is a place where children and youth from South Carolina are able to find a safe and stable environment where they grow physically, spiritually, intellectually and emotionally. Our mission is to provide a place of nurture, structure and encouragement for the children and youth who are least likely to have experienced such things.
