

Worship Announcements for Work Day Offering

Please invite your Epworth Local Church Representative (or pastor if an LCR is not available) to share the following with your congregation during worship announcements in the weeks leading up to the Work Day Offering.

Sunday, September 6th, 2026

Next Sunday, we will have an opportunity to invest in the lives of children and families through Epworth's Annual Work Day Offering. I invite you to join me in supporting this important ministry.

Our gifts help Epworth provide the care, support, and services that children, youth, and families across South Carolina need to heal, grow, and thrive. In recent years, Epworth has expanded its programs to meet the growing needs of children and families throughout our state, and our support makes that work possible.

As you prepare for worship next Sunday, please prayerfully consider how you can help make a difference in the lives of those served by Epworth. Thank you for your faithful support of this life-changing ministry.

Sunday, September 13th, 2026

Epworth Children's Home was founded in 1896 with a mission of caring for children whose families could not care for them. Today, 130 years later, that mission continues through caring, safe, Christian communities where hurts are healed, hope is nurtured, and faith in God, self, and others is developed.

In 2025, Epworth served more than 2,230 children, youth, and families across South Carolina who had experienced trauma. Through residential care, foster care, family support services, and other community-based programs, Epworth helps children find healing, stability, and hope for the future.

This ministry is possible because of faithful supporters like you. The Annual Work Day Offering provides critical funding for the programs and services that change lives every day.

As we receive today's Work Day Offering, please join me in praying for the children, youth, families, and dedicated staff of Epworth. Thank you for your generosity and for helping provide hope and healing to children and families across our state.
